# ABOUT FIT4KIDS

By making healthy fun through engaging and interactive programs, students are encouraged to adopt healthy habits!

Our hope is to provide children with impactful, empowering programs that will inspire them to develop life-long healthy habits.

Given that children spend significant hours at school, this environment provides an opportunity to disrupt health inequities and promote healthy, fun choices. We offer programs at more than 40 schools locally.

Fit4Kids believes that active, well-nourished children learn better in school, have greater self-esteem, and grow to lead productive lives.

## OUR MISSION

Fit4Kids is dedicated to improving children's health and wellness through physical activity and healthy eating

# Let's get to class!
