# FIT4KIDS FUN FEST

a celebration for all ages with a healthy twist

Saturday, May 2, 2020

1-5pm

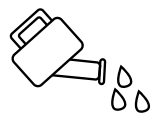

Science Museum of Virginia

This spring, Fit4Kids is turning 10! That's right, the big one-oh. A whole decade of active play, eating fresh, and healthy fun. To celebrate our big day and promote the importance of children's health and wellness in RVA, we're having a party aimed at inspiring people of all ages to embrace their inner child and have some good ole fashion healthy fun.

Join us on May 2, 2020 when Fit4Kids takes over the lawn of the Science Museum of Virginia for a festival featuring games and activities inspired by Fit4Kids' health and wellness programs. We'll have potato sack and scooter races, balance games, fitness challenges, a dunk tank, music, food trucks, beer, and amazing prizes for those who join in the healthy fun!

We invite you to become a sponsor of this event and Fit4Kids' important work inspiring children to make healthy choices!
