**PERSISTENCE
WITH PURPOSE**

Wellness superheroes creating brighter futures for children

ABOUT FIT4KIDS

By making healthy fun through engaging and interactive programs, students are encouraged to adopt healthy habits!

When school-based programs went virtual in the spring of 2020, Fit4Kids was reminded about the importance of making personal connections with students, teachers, and families.

Last year, we delivered more than 450 at-home physical activity and garden kits to students' homes, advocated for new wellness policies in schools, donated more than 10,000 seedlings, and trained over 350 teachers on movement strategies to engage kids in a virtual classroom.

We recognize how important persistence is during this challenging time and are excited to showcase this theme at 2022 Eat and Greet.

FIT4KIDS BELIEVES THAT ACTIVE, WELL-NOURISHED CHILDREN LEARN BETTER IN SCHOOL, HAVE GREATER SELF-ESTEEM, AND GROW TO LEAD PRODUCTIVE LIVES.

OUR MISSION

Fit4Kids is dedicated to improving children's health and wellness through physical activity and healthy eating

EAT AND GREET

SNAPSHOT!

WHAT EAT AND GREET SUPPORTS

Eat and Greet raises unrestricted funds supporting Fit4Kids' health and wellness programs with a goal to raise over \$45,000 through this event. Funds would help to strengthen our learning garden program, expand our health offerings to adolescents, and make engaging wellness programming more accessible.

EAT AND GREET BASICS

Eat and Greet is a fun and immersive experience highlighting Fit4Kids' work with children in our community. Tickets include catered dinner, engaging speakers, live music, and drinks. Guests include Fit4Kids' Board of Directors, friends, corporate and young professionals, parents, and community and school partners.

This year's theme is **Persistence with Purpose as we showcase how wellness superheroes can create bright and healthy futures for children.**
